

ECO CLUB (Dharammeet)

Activity Report – April 2025

Earth Day 2025

Date: 22nd April 2025

A special assembly on the occasion of World Earth Day was organised by Dharammeet – the Eco Club – and Aurobindo House of the Department of Education, St. Xavier's College, Ranchi.

The special assembly for *World Earth Day*, conducted by Dharammeet Club and Aurobindo House, focused on environmental awareness and sustainability. The event began with a prayer, followed by the song "*The Earth is My Home*," emphasizing a commitment to protect nature.

The ***Eco Clubs for Mission Life*** initiative of the Ministry of Education, GOI, which emphasizes the critical importance of integrating environmental awareness and sustainability principles into school curricula, was introduced to the B.Ed. students and a QR code linked to the initiative's portal, affixed to a chart paper, was also displayed in the lobby as a quick reference guide.

The audience were welcomed with a beautiful verse, followed by a news segment and complementary speeches highlighting the historical significance of Earth Day and the 2025 theme, '***Our Power, Our Planet.***' A visual representation on the screen further enriched the insights shared during the speeches. A beautiful poem and a thoughtful message reinforcing environmental consciousness followed.

A plant was ceremoniously presented to the Head of the Department, followed by a pledge to embrace sustainability beyond earth.

Around 200 students from the first and second year participated in the assembly, which concluded with a speech by the HOD and the National Anthem.
