**ST. XAVIER'S COLLEGE, RANCHI**  
**Department of Education**

**DHARAMEET ECO CLUB**  
**(2025–2027)**

**Event Report on Van Mahotsav Celebration**

**Programme Details :**

Date: 03 August

Time: 04:00 PM

Venue: College Medicinal Garden

**Programme Coordinator :** Dr. Nandita Pandey  
(Patron of Dharammeet, Eco Club)

**Introduction**

On the occasion of *Van Mahotsav*, the Dharammeet Eco Club organized a plantation drive to promote environmental awareness, biodiversity conservation, and sustainable practices. Around 57 students from the first year and previous batches participated enthusiastically. The Chief Guest, HOD, and Patron graced the event and shared their views on the importance of tree plantation and environmental conservation. The event successfully encouraged students to contribute towards a greener and healthier environment.

**Activities Conducted**

**Plantation Drive:** A large-scale plantation drive was carried out to mark Van Mahotsav, encouraging students and faculty to actively participate in greening the campus.

**Medicinal Plant Donation:** The club donated around 10 medicinal plants to the college, contributing to the enrichment of the existing gardens.

## Digital Log Book

A digital log book was created to systematically record and monitor the growth, care, and usage of medicinal plants in the garden. The logbook features 35 plant varieties, including 23 medicinal species, each with detailed information on their health benefits. To ensure easy access, we've provided QR codes both around the campus and within the logbook itself, allowing anyone to scan and dive into the rich details effortlessly.

(Chief guest, HOD, Patron and professors of the Department were present during the program.)

Images of few medicinal plants.

(*Euphorbia lactea* Haw)

(*Acalypha wilkesiana* Müll.Arg)

(*Andrographis paniculata* (Burm.f.) Nees.)

(Participants number was 57 including previous batch students.)

### Outcomes & Impact

- Enhanced awareness among students about the importance of medicinal plants and biodiversity.
- Strengthened the college's green infrastructure through plantation and mapping.
- Digital documentation ensures long-term sustainability and scientific monitoring of medical plants.
- Contribution to the conservation of traditional medicinal knowledge.
- Improved the management and maintenance of the college's medicinal gardens.
- Promoted teamwork and active participation among students and faculty members.
- Inspired students to adopt eco-friendly practices in their daily lives.

### Conclusion :

The Van Mahotsav celebration by Dharammeet Eco Club successfully combined plantation, documentation, and awareness activities. These efforts not only enriched the college's green spaces but also fostered a culture of environmental responsibility among the academic community.
