Activity Report - March 2025

World Water Day 2025

Date: 22nd March 2025

On the occasion of World Water Day 2025, the **Eco Club Dharammeet** of the Department of Education of St. Xavier's College, under the IQAC, organized a **special assembly** in the **department** and an open quiz on 22nd and 24th of March in the college campus. The winners of the quiz were awarded **Water Warrior** badges and pens. The objective was to spread awareness about water conservation and instill a sense of environmental responsibility among students.

The assembly commenced with prayers and inspirational verses, followed by a video presentation on this year's World Water Day theme, "**Glacier Preservation,**" by the students. The video highlighted the current state of glaciers and the impacts of climate change. Subsequently, trainee teachers provided detailed information on climate change, presenting accurate data about glaciers.

A motivational play titled **Jal Hai Toh Kal Hai** was performed during the assembly. The club's patron, Prof. Dr. Nandita Das, along with all the teachers of the Education Department, graced the occasion and addressed the gathering.

A special moment of the event was when Prof. Dr. Nandita Das honored the **department assistant**, Mrs. Pratima, with the title of Water Warrior for her efforts in **conserving** water in daily life. The assembly concluded with the Dharammeet anthem and the national anthem, leaving everyone inspired.
