Special Assembly on National Science Day

Date: 28th Feb, 2026

Venue: SXC, Ranchi

A special assembly was organized by the science club, Department of Education on February 28th, 2026, to mark the celebration of National Science Day, under the guidance of Professor Dr. Anupama Bhargava. The theme of the assembly was "Women in Science: Catalysing for Viksit Bharat." The assembly began with a theme song, followed by a prayer. The life sketch of renowned scientist Bibha Chowdhuri was presented, highlighting her contributions to science.

The program concluded with an inspiring speech by the Head of the Department, Fr. Florence Purty, who encouraged students to develop scientific curiosity and awareness.
