

# SCIENCE CLUB

## Activity Report - March 2024

### National Science Day

Date: 1<sup>st</sup> March, 2024

Venue: SXC, Ranchi

A special assembly was conducted on March 1<sup>st</sup> 2024 to mark the Science Day at Department of Education, St. Xavier's College (Autonomous) Ranchi. President of Science Club, Dr. Anupama Bhargava and HOD, Fr. Dr. Florence Purty paid homage to eminent scientist, Dr. C V Raman. Dr. Anupama Bhargava in her speech highlighted the importance of indigenous technologies in progress of the nation. This was followed by a documentary that was based the theme '**ROLE OF INDIGENOUS TECHNOLOGIES FOR VIKSIT BHARAT**'.

Fr. Florence Purty HOD while addressing the assembly reminded students about the countless benefits that we reap from science and technology but also cautioned about its adverse effects if not handled with wisdom and care. All the students of B.Ed. Science Club played pivotal role in conducting this special assembly.
