

SCIENCE CLUB

Activity Report - March 2026

Sensitization and Outreach Programme

Date: 26th Mar, 2026

Venue: Kishor Nagar School, Namkum, Ranchi

A sensitization and outreach program were organized by science club, Department of Education and IQAC, St. Xavier's college Ranchi in Kishore Nagar school, Namkum, Ranchi on March 26th 2026. Members of the club showcased improvised models depicting science principles. A quiz game (snakes and ladders) was also conducted on science content. The club president Dr. Anupama Bhargava explained to students how science is useful and significant in their daily lives. Head of the department, Fr. Dr. Florence Purty, S.J., encouraged them to take keen interest in science and scientific activities. Principal of the school Fr. Walter thanked St. Xavier's college for this initiative. The science club also gifted improvised models and hand-made charts to the school. All the members of the club actively participated in this programme.
